## Support for our Philippines Camp

Every year we take up a donation for our Philippines CFFD branch so that they are able to hold their own camp for people with disabilities. If you would like to support, please come prepared with cash or a cheque. We typically also have cards and a variety of gifts available for purchase during camp. All proceeds go towards the Philippines camp.

(There is no Eftpos available).

## Campers Needing Support

Campers requiring general support and basic assistance will be allocated a volunteer helper for the weekend, or be placed under the responsibility of their group leader.

Campers with a higher level of care will need to bring their own caregiver, appropriate friend or family member. This includes campers with complex care needs, those who use a hoist to transfer, or those needing significant assistance to transfer.

We are aware this may make attending camp more difficult for some people therefore application can be made for assistance towards caregiver camp fees if required. Please contact us if you are unsure if you will need to bring your own caregivers.

## Helpers

- You will be sent a link to our online volunteer training, which you are required to complete before camp
- An additional volunteer training day will be held in Auckland in early October. This is considered an introduction to volunteering with us and includes a variety of speakers and interactive sessions.
- All new helpers are required to attend a meeting on Friday evening at camp
- All new helpers, and those who haven't been in the last 3 years, are required to complete a police vetting form. The camp committee reserves the right to request a police vetting sooner than the 3 year period if desired.

## Families

We love having families come to National Camp, however there is limited suitable accommodation. If you are considering bringing your family, and *need* accommodation together, it's best to register early. Please make it clear on your camp form if you are at camp to support a specific family member, or to serve as a helper to other campers.
